Please send feedback in real-time to presenters of the S&T teaser session

An online voting system is available during the S&T teaser session to give presenters your feedback. Your vote is aggregated in real-time on the sub-screen.

[Schedule]
 30th September, 15:25-16:25
 1st October, 11:50-12:50
 2nd October, 11:30-12:30

How to use the voting system?

(1) You can vote by going to **www.slido.com** and then enter the code of this event (**#ismar**). This system is available for the PC, smartphone, and tablet.

(2) After entering the code, you will see the voting page. You can send your feedback using a five star rating system. The results can be seen in real-time on the sub-screen in the hall.
